

## VT520 / AC voltage monitor

Sensor is needed for measurement of AC 110-240V, Max. Distance from the unit is 100 meters.

Dimensions	Size 63×66×40 mm
Weight	125 g
Inputs	RJ-12 / RJ-11
Operating characteristics	Temperature : Min. -10° C - Max.80° C Humidity : Min. 5% - Max. 95% (Non-Condensing)
Power input	90-240V, IEC C14
Mounting	Wall mount
Power Consumption	60 mW
Components	Manufactured in EU.
Max. distance m	100 m
HS Code	9030 33 300
Special Features	Voltage measured - 90 .. 250 V, Accuracy - 2%.
